Protection and Management of Your Personal Data

- **Encryption and Security:** We use a variety of technical, administrative, and organizational security measures, including encryption and authentication tools, in certain circumstances, to ensure the security of your personal data. Despite our efforts, no website, mobile app, database, or system is completely secure or "hacker-proof." You can help keep your data secure by taking reasonable steps to protect your personal information from unauthorized disclosure or misuse.
- **Retention of your personal data:** In accordance with the law, we retain your personal data for as long as is necessary to fulfill the purposes described in this policy. Alternatively, you may withdraw your consent to your personal data by following the opt-out or unsubscribe instructions in the message or by contacting us at dataprivacy@sisecam.com.

Your rights

You have the following rights, which you can claim free of charge at any time:

- You can find out whether we process personal data about you and, if so, or if so, you can request information about it.
- You can learn the purpose of processing your personal data and whether it is used in accordance with their purpose.
- You can find out whether your personal data is transferred domestically or abroad and to whom it is transferred.
- You may request the correction of your inaccurate and incomplete personal data and the notification of the recipients to whom such data has been or may have been transferred.

- You can request the destruction (deletion, destruction or anonymization) of your personal data in accordance with the conditions stipulated in Article 17 GDPR and Article 7 of KVKK. However, by evaluating your destruction request, we will evaluate which method is appropriate according to the circumstances of the concrete case. In this context, you can always ask us for information about why we have chosen the method of destruction we have chosen.
- You can request that the third parties to whom your personal data is transferred or to whom you may transfer be informed about your destruction request.
- You can object to the results of your personal data analysis, which was created exclusively using an automated system, if these results are contrary to your interests.
- If you suffer damages due to unlawful processing of your personal data, you can request compensation of the damage.

Contacting Us and Making a Complaint

If you have any questions or complaints about the processing of your personal data, you can contact us at dataprivacy@sisecam.com.
